

## Roland Roger's Parent Transportation Note

Beginning this year, all transportation changes will need to be made by a parent completing a Google Form or sending the Parent Transportation Note to school. If you would like to place your request online, please go to the Roland Rogers website and click on the Parent Transportation Form. **Any parent requesting a transportation change must do so by 1:00 pm.** Transportation changes will no longer be accepted through teacher lines of communication (for example: dojo) and/or phone calls.

Form responses will be forwarded to the classroom teacher indicated. If you have multiple Roland Roger's students for whom the change applies, you must complete this form for each child. You may send in this form with your child(ren) to school. If you need to add an authorized individual to your child's profile, please log in to your child's Oncourse Account or call Roland Rogers at 609-748-1250.
